

MENTAL HEALTH DEPARTMENT

SerD Area Penale e Penitenziaria

SPAZIO BLU is the Public Health Service in Milan that since 2000 takes care of juveniles who use drugs and have committed crimes. The team, composed by psychologists, social workers, educators, a psychiatrist, a nurse and a criminologist, works in the following places:

First Reception Center

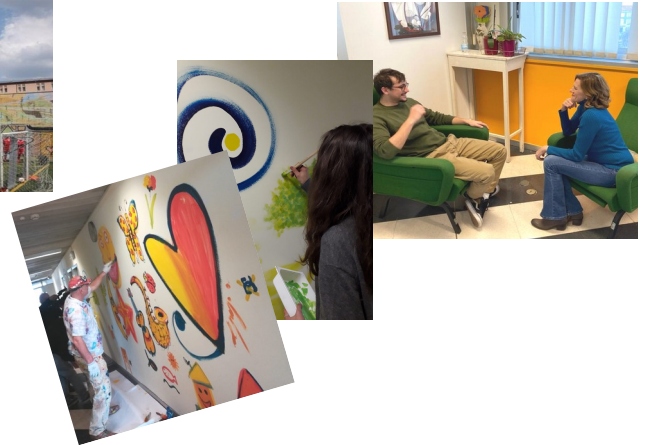

It's the place where juvenile offenders arrested on-the-spot for a blatantly apparent crime are sent to.

Juvenile Prison C. Beccaria

Addiction Local Service

MULTI-DISCIPLINARY INTEGRATED INTERVENTION:

ASSESSMENT: evaluating patients health conditions, protective and risk factors, possible areas of fragility;

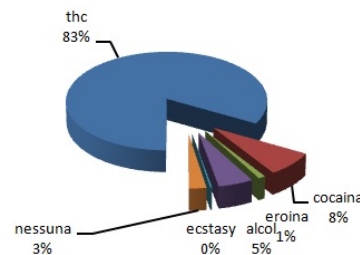

TREATMENT: counselling and psychological support, brief psycho-therapy, sanitary monitoring, social intervention, educational tutoring;

GROUPS: educational groups focused on the sharing of experiences and feelings related to legal issues and treatment, parents' group.
